

# To Our Museum Visitors

The previous restrictions on visitors from designated regions have been lifted, so as of June 19, 2020 our museum has been open to visitors from all regions.

When you visit our museum, we ask that you please cooperate with the following measures to prevent the spread of COVID-19.

1. Wear a mask
2. Disinfect your hands at the entrance
3. Maintain a 2 m distance from others while viewing the exhibits
4. Please fill out the ***shisetsu riyo uketsuke hyo*** (facility use acceptance form) with the following information:
  - name
  - address
  - telephone number
  - whether or not you have a fever or other communicable disease symptoms

✂ if requested by a public health center, we may have to provide the above information to public authorities.

✂ the address information may be used by the museum for statistical purposes.

✂ the personal information we have gathered will be properly disposed of once the period it needs to be held (to meet COVID countermeasure requirements) has passed.
